“ *Lynda you will always be a huge part of our family. She was the best neighbor we ever had. She loved being a part of our family and doing holiday dinners with us. She enjoyed coming over to see Shaelynn and always kept her in her prayers. She loved coming over to spend time with our pets as well. Our children adopted her and referred to her as Grandma Lynda. We will always love and miss you. Rest peacefully our dear friend.*

“ *Lynda loved the theatre and the beach. I was so happy to share both of those loves with her. Her face always lit up with happiness when there was a cat or dog around. Lynda reached out to me after my husband died, and I am forever grateful for her friendship. Mary Buda*
