“ Ted and family Please accept my sympathy on the loss of Madeline. We were friends from her West Milford First Aid days. As our Captain she was fair and with the tremendous responsibility always got the job done. I would always chat with her when she worked at town hall and was always amazed at her positive outlook on life. We moved to Saratoga Springs, N.Y. seven years ago, so I haven't been in touch with West Milford much. Two years ago my beloved wife of 43 years passed from lung cancer. Cancer is truly a terrible disease. I hope Madeline and Joan are enjoying everlasting life. Regards. Jack Cronen
