FUNERAL SERVICES WILL BE PRIVATE

Mark Brendan Wundrack

Mark Wundrack passed away at the age of 44 on Sept 2, 2025. Mark was a lifelong resident of West Milford

Born February 2, 1981, to Ulrike Wundrack Lippner and Robert J Wundrack (deceased in 1989).

Mark was a devoted son and true friend to many. Mark is often remembered for his kindness and selflessness to family, friend or stranger, putting others before himself. He was a protector and a giver.

Mark had many passions, but the most important were his loved ones which included his "band of brothers", lifelong friends, Scott, Jon, Brian, Chris, Neil, Eric and Dan and mentor, big brother, mechanic Mike.

From a young age, Mark shared a passion for riding dirt bikes in the local

sandpits with his brother Robbie. His passion developed into amateur racing at District 34 and from there to Pro Supercross and Motocross racing, first as a privateer and then 250/450 cc Team Rider for BSY Yamaha. Mark's many journeys across country allowed him to experience more than most people could dream of in a lifetime. Mark was known for his respect of others, no matter their age or station in life.

After a career ending injury, Mark joined his brother Robbie in the family excavating business, W&W Contracting LLC, but dirt bikes were still in his heart. He proceeded to form Mark Wundrack Motocross School, LLC with a focus on safety, nutrition and physical training. He shared his knowledge of Pro level techniques and mentored several young riders who went on to reach professional status themselves.

Mark's other passion was anything to do with the Outdoors, He was happiest when he was synched with Nature- whether searching for artifacts, hiking our local trails, kayaking (even in the middle of winter), snowboarding with his "brothers", foraging with his Mom or just sitting in solitude near any body of water. He was known to have a special connection with any type of animal. It wasn't unusual for him to bring home orphaned squirrels, fawns, racoons - anything feathered or furred captured his heart.

Mark made an impact on many, and always tried to be humble and kind. After losing his beloved brother, he mentioned, should anything ever happen to him, he didn't want a public display, honoring his wishes, his burial was kept private but his family thanks all that have been touched by Mark and have reached out with their love and support to help us heal our broken hearts.

He is survived by his mother, Ulrike Wundrack Lippner and his "Pops", Daniel Lippner along with his much loved nieces/God daughters, Jasmine and Brianna Wundrack. He was predeceased by his beloved big brother, best

friend, "Robbie" Robert B Wundrack in 2017.

Mark is now "A Spirit in the Sky" along with his dad and big brother, his Oma Dorothea and Opa Wendel Burckhardt, and his Aunt Diane Judkins and his best friend and sidekick his dog Bella.

Surviving Mark are his Aunt Dorla Yuroshek, Uncle Rolf-Dieter Burckhardt, Uncle Richard Wundrack (Carol), Godmother Barbara Ann Dorer, Uncle Ron Lippner(Edit), cousins Dennis Yuroshek, Tammy and William Beltle, Gavin and Liam Beltle, Christopher Judkins, Kyle and Kevin Wundrack, Julian and Jesse Lippner, his sister- in- law, Jodi Wundrack, and his Uncle "Jim-Jim" Larkin.

To honor his Life, memorial donations can be made in Mark's name to The Last Resort Wildlife Refuge in West Milford; www.lastresortwildlife.com

“ *I'm sorry to hear of Mark's passing. I loved when he stopped in at work to help Pops aka Dan with big projects. Mark always greeted me with a smile and handshake and asked me to take care of his pops at work. I loved hearing about his motocross passion. He will be missed. My deepest condolences to his family.*

“ *Mark was an incredible human, one of the kindest and most compassionate people I’ve ever come across. He treated us as blood relatives from the first time we met so many years ago.*

Mark never met a stranger, he had the ability to instantly become friends with anyone he met. He touched so many lives - both human and furry.

My favorite memories are all of Mark in my most challenging times, when he would immediately call to ask how he could help. When my mom, his beloved Aunt Diane, was diagnosed with terminal cancer last year, Mark came to the hospital and made her laugh until she cried with stories of him and Pops (her brother) as they traveled the country for his motocross races.

He brought joy, love, and shenanigans to every family gathering; a legacy we won’t ever forget.

Give my mom a hug for me and keep her laughing up there, and I promise to take care of your mom and Pops here. I love you, Cuz.
