“ I have very fond memories of my Aunt Martha. When my sister Donna, my brother Bill and I were young, we often spent many pleasant afternoons enjoying her company. My mother, Bernice Marion Perry was Martha's sister and she and other family members shared many good times together as is displayed in some pictures that I have uploaded onto the photo section of this memorial site. Included here are pictures taken at her wedding to Lester Romain in 1945 and also some other family pictures of her and the Marion family in days gone by. My memories of her will always be of her kind nature and love for everyone around her. She now is with her family again in heaven, and I am sure reflecting on all of the good times that they shared while here on earth. God Bless you Aunt Martha. Love Gail Perry Grinkevich

“ *On behalf of residents and staff of Butler Senior Community, we send our heartfelt sympathy and condolences to the family of Martha Parker. Martha was an active part of our community for many years. When she left, there were many who missed her, and now that she has passed, there are many who remember her fondly. Martha was very proud of her mother's cactus plant that she continued to grow for over 40 years. It was a beautiful addition to her lovely home. I am sure many of the Seniors at the Butler Nutrition Site will remember her kindness and her friendship as well. With deepest sympathy and best regards, Marilyn Mysak, Resident Services Coordinator, Butler Senior Community*
