“ I’m so sad as I try to write something to share about Shelly. There’s too much to say and not enough space to capture my feelings about Shelly. So I’ll try to be succinct - which is difficult for me because I tend to ramble. But I’ll start by saying she was the hardest working Elk I’ve ever known. She single handedly did more for the Park Ridge 2234 lodge than anyone I’ve ever known. Too many things to highlight - just know that she was incredible in her efforts to promote the truly wonderful and charitable events that Elkdom promotes. There will never be anyone that can replace her. Personally she was always supportive of me as a member and Exalted Ruler back in 2012-2013. I’ll never forget the Wildwood Convention in 2013 when she agreed to be my 1 in my wife’s absence! The members really got a kick at sending us off to the Convention Ball by attaching beer cans behind her Volvo like we were just married driving off to the event! She was such a special person who I will sorely miss. And Wildwood will never be the same without her and her incredibly supportive husband Pete and her entire family. I wish I was able to be at her Celebration of Life event at the lodge today 1/24 but the weather has thrown a monkey wrench into that happening. Just like her passing has been such a shock to so many people. Love her and will miss her very much but I’m sure I’ll see her on the other side - God willing. XXXOOO.

“ My condolences to Shelly's family and friends during this difficult time. I am so sad to hear this news and can't believe Shelly gained her wings so soon.

*I have been working with Shelly for the last several years as we schedule quarterly meetings between PwC and Prudential. Shelly will be missed tremendously as she touched so many hearts with her kindness and always wanting to help everyone.*

“ Shelly —  
You were a mother figure and my best friend. You were always there for me when I needed you most, every step of the way, for as long as I can remember. You were my biggest cheerleader, always asking, “How can I help?” even when you knew I needed it most but didn’t ask.

*You meant the world to me, and over the years you became just as special to your grandboys, who miss you dearly. Every vacation and every Friday night was our thing, memories I will cherish forever. I could go on and on — you were selfless, caring, honest, and kind. You spoke “Dad language” like no one else, always helping to foster the close family bond we share.*

*Nothing will ever be the same without you, but I am so grateful to have had you as such an instrumental part of my life.*

*Love you forever and always,  
Lindsay*

“ I had the pleasure of working with Shelly planning many Police related events at the Elks. She was always the consummate professional. As a long time member of the Elks I will remember her as one of the hardest workers and nicest people I had the pleasure of knowing. R.I.P
