“ God looked around his garden  
And found an empty place.  
He then looked down upon the earth,  
And saw your tired face.

He put His arms around you  
And lifted you to rest.

God's garden must be beautiful,  
He always takes the best.

I personally did not know Matthew Chaplin but was told about him by his sister. What I do know is that he was a caring, loving and the life of the party. He truly will be missed by all who knew him and his family. He will also be missed tremendously by me. I am saddened that he was taken at such a young age and I will never have the honor of meeting him. Rest in Peace brother.
