Mike is not only my husband he is my love my soul-mate & my friend . I say is (NOT)was because he is alive in heart. Mike I love you with every breath I take & with every beat in heart . My heart aches my eyes tear & my chest is on fire I feel every moment of every day that my soul wants to jump out of body & follow you. I feel cheated & robbed from the kindest man that I ever met not just to me but also to his friends animals and family. Mike I miss you I love you & I'm waiting too see again my soul can't wait. Oh mighty God please have mercy on my beloved soul-mate's soul may he dine & sleep with angles & please take me to join him at your will. Your wife your friend your love & soul-mate. Amy Buechler
