“ I’m so sad to hear about the passing of Michele, way too young. I worked with Michele and Donna for 3 years in White Rock, we had a great time and worked well as a team. Michele was such a hard worker, and a good friend. I know she missed her parents so much when they passed, I hope they were waiting for her at Heavens Gate. I have no doubt Donna also met Michele there saying her famous, “Shut up Michele”..LOL Michele was known to be a chatterbox, and every time Donna said it we would all just laugh! I’m sorry to the Pattky family for your loss. She was very proud of her son Kevin, always talked about spending time with him and Ivan in Dunkin.
