“ Michele...I just found out about your psssing and I can't stop thinking of you...I keep thinking about how we met working at Haemotrinic in 1995...We ate lunch together and drove into work together, too, when the weather was bad...You were always so sweet and a joy to be around...I loved seeing your smiling face every day and laughing with you...My heart is breaking and you will forever be in my thoughts and prayers.  
All my love, Michelle.

“ *My dear, sweet Missy. So many memories we shared since we met way back in 1975 in Greenbrook. My best friend since the day we met. Hot summer days lounging at 'the pool', walking across the stream to A&P to get snack and sneak a bag of Doritos that were forbidden in my house. Your devastating move to upper Greenwood lake area and biking to the Mountain Jug for yet more Doritos. You showed this Catholic school kid how to wear real clothes in high school. And all the shopping we did. We studied together for the most important test of our teenage years - our driving test! Your family was my family, the siblings this only child never had.*

*My bridesmaid, your bridesmaid. All our trips into NYC to share our favorite thing, Broadway musicals and a good dinner out. We are so sad that you are gone. You were my best friend. I am changed for good for knowing you. You are forever in my heart. I love you. Say hello to Aldona for me. xoxo*
