“ Dear Michelle, though we were separated by distance, you have always been in my heart with our daily emails, some say there is a hole in your heart when someone passes, but I feel your heart is filled with loving memories that you can take out and share with others, you are a beautiful young women with a kind and loving heart you always gave and put others before you. I know that you are in your mothers arms and are one of Gods angels looking down on your loved ones and guiding them from above.
May you rest in peace until we meet again Love you Always, Karen & Chuck Mockel

“ To my dear childhood friend,
So many childhood memories that I carried with me all throughout my life. We did lose touch but I thought of you often. I'm at a loss for words because I can't believe you are gone. Such a beautiful lady and soul who was taken much too soon! The only comfort I feel is knowing you are in the arms of your family. Tony my heart hurts for you. Please take care of yourself and that beautiful daughter. Life is a gift and as we see, much too short. Stay strong and hold tight onto the memories. 🙏💔
