“ *Nelsa had worked with me at NJDC COTT#2 she was hilarious. I get a kick out of her when she laughed, when something is funny, she can't stop laughing. The last time she; i where together, was at the mother's day bontique at the Brownstone. She had won a large basket full of snacks, from raffle, she was so excited; stated this is for my grandkids. She will be greatly missed. RIP MY FRIEND*

“ There are so many memories regarding our mother,  
The # 1 thing I will say is she was selfless.  
She was a good mother and a great grandmother!  
Her grandkids were her everything and there wasn't anything she  
wouldn't do for them/us.  
I can't begin to express how life won't be the same without her love.

Wow, never would imagine this coming so soon ! I remember starting  
my career at NJDC in cottage 2 in 1992 working the 3:30 shift with  
some great ladies. The laughter, parties, arguments, unity but most of  
all the Team Work we shared was amazing. I learned a lot from then  
and always will cherish the memories. Nilsa was a laughing box and it  
was a known fact that if you saw Grayson, Nilsa wasn't too far behind  
last time we were all together was at the Holiday party and we had a  
dancing good time.  
She exchanged dancing partners and is now dancing and smiling with  
the Angels !!  
Rest well my friend till we meet again.
