“ My condolences to Pat’s sister Barbara and her family, I’m so sorry for your loss. Pat was a dear friend of 70 plus years. Our weekly phone calls, luncheon with our high school friends, her laughter I will sadly miss. I know she’s happy because she is with her one and only Danny. Goodbye my friend

“ I’m sooo sorry Barbara... just bumped into Patty at the Market Basket recently... tried a few times to get together with Linda for a lunch... just didn’t work out.... Glad I had the opportunity of fun phone conversations with her... brought back many fond memories of childhood that blended with your family.... Love you. Lynn Kunish

“ October 22, 2024
Complete shock and extreme sadness today as I learned of the passing of my very close friend, Pat Prester Dudzak. Besties since kindergarten in St. Leo's School, we remained the same crazy nutbars thru our 76 years of friendship. She still carried the green pencil point in her hand from when I stabbed her at our jobs in Neisner's 5 & 10 Cent Store! My only consoling thought is that she is now much happier with her Danny. Executor, please call me! 302-233-4721. Gloria Ossi Markowitz.

“ So sorry for your loss. I just found out today that my friend Pat passed away. I went to her house today because I had left her several messages and had not heard back from her so I was very concerned. Saw a neighbor there and she told me she didn't know her but gave me the sad news. Pat and I were high school friends and we both attended our monthly luncheon each month. She was a wonderful caring person so full of life her laughter was infectious. I will deeply miss her and the good times we had together. God rest her soul. The only solace is that now she is with her beloved Danny. God bless her and may she rest in peace. With fondest memories. Barbara Platoni Class of 1961
