“ So sorry to hear about Pat and Amy. So many memories of Pat and Louie when they lived across from us on Vance St. in Arlington. Pat lived a long life and so sad to see Amy's obituary along with her Mothers. So sad, I know they both are happier where they are.

“ There are only good memories of my cousin Pat. For the last 5 years or so, Pat and I played "Words with Friends" on Facebook and exchanged messages about family and holidays. It was helpful during COVID having Pat as a challenger.

I was a teenager when Pat & Louie and their family lived across the street from us in Virginia. Pat had a wonderful sense of humor while giving good advice:" If your kid is falling down the stairs, it is best to turn your head and clean up the blood later!" I always enjoyed having the kids around also.

My older brother Mike, who was very close to Aunt Lucia, spent a lot of time with Pat & Louie. He once told me how much he admired them as a great couple! They were always laughing and joking with each other.

Pat had a good life surrounded by lifetime friends and family. And even though she will be missed by her earthly family, I'm sure she is resting in peace in heaven with her loved ones.

*Love to you All,
Betty Lou & Butch*

“ My deepest sympathy to the entire family. I will always remember the good times we had together. She was always such a good Catholic that's why I chose her to be my son's (Larry) Godmother in 1961. Prayers and thoughts to her family.

“ Lou and Pat were our neighbors when Bob and I lived in Oak Ridge, in White Rock Lake. So good memories I have of Pat and her beautiful smile, always ready to help if I needed anything. I joined the choir at St. Thomas Church because of Pat. What a beautiful voice she had.
My deepest sympathy to all the family.

“ Dearest Pat, you will be so missed. So many dinners hosted by you, our annual Saint Patrick's Day feasts, Cinco de Mayo celebrations - how will we face them without you? During our visits, your stories about your beautiful family were heart warming. You were so proud of them all!! I will miss you, my wise friend. We all have a very special guardian angel looking down on us from Heaven - our only consolation right now during this sad time.

“ To Pat's family I feel blessed to have known her. I so enjoyed her love of life, witty remarks and sense of humor. She was a welcome smile, a cup of tea, such a resource as an advise seeker .Sometimes it is hard to be a faithful servant of God, but it always seemed natural to her. Rest now, well deserved.

“ Dearest Pat: when Joe passed away 15 years ago you took me under your wing and presented me with love, friendship and oh those delicious dinners!! I am forever grateful to God that we became fast friends till the end. There was never a moment of silence between us. I will miss you more than you know, but I already have had two visits from sweet little birds telling me you are near. I can see Lou, Fitz and Father Matt each wanting their share of you. Have fun in heaven and watch over us here on earth. Love ya lots, Mary Buda

“ Dearest Pat, I loved you like my second mother. As a neighbor, I couldn't have asked for a better one! When my children were little they looked up to you and Lou as “grandparents “. You earned a special place in heaven, and will be remembered with much love! Rest in heavenly peace. ❤️❤️
