“ *My Petey,*

We met by magic, as if we were each other's destiny. You always told me that you fell in love with me many years before we came face to face. Although our time together was short we had more love and happiness than many people know in a lifetime.

"Of all the hearts on Earth.., I'm glad you came into mine.

I will Love you forever.

“Pete this really hurt me, but I'm reasoning with it in a good way, knowing your in a much better place!....I've known you for many, many years, from town and some of the best years of our lives in school, Eastside High. You were ALWAYS good with me and every one else in "ALL WAYS"!...I enjoyed your humor, your knowledge, and your way with life...and you were a TRUMPER!...that speaks for itself!...Your really going to be missed by ALL, especially me, just knowing that some one that I knew, is no longer with us, but in our minds as memories, and in our hearts, being grateful to have the oportinuty to know you...Rest now Pete...if I'm lucky enough to to meet you later, it would be worth the wait!.... Thanks Pete!....GOD Bless!....Please say hello to all that I know when you see them...
