“ *Ray was as good of a friend as one can have. He would help you at the drop of a dime no matter what, where or when. I will always remember the good times we shared the last 40 years. As one of my best friends - I call him my brother. I cherish the good memories of going quading with the guys, parties and football games. Everything that comes and goes through life was doing it with Ray. I will cherish every moment. To my life long friend and "brother" - I was lucky to have a friend like you. I will miss you every day of my life until we meet again. I love you. Your friend and brother Ronnie.*
