“ I first off want to say that Our prayers are with you.I met Rich when he lived here in Port Orchard WA. he was involved in the Bill W. Program.He and I would hang out and Laugh and joke at about the silly things in Life.He was very involved in his 12 step Program and he was very excited to move back to NJ. to see and take care of his Parents who he would share his many stories with me about. He also would talk about his Daughter who when seeing or bringing up her name would just lite up.That little girl became his Life.He was now a father and he loved being one.As the years gone by Rich lost contact with some friends out her in Port Orchard and I was one of them.I will miss him however I know that he believed in the Lord and a Higher Power and he will be taken care of as his daughter gets older and doesn't no longer have a Father that is alive he will be watching over her in Heaven and be enjoying her accomplishments in Life and still loving her as he did on Earth...RIP my friend until we meet again but for now I have the memories that we shared and the silly laughs that we laughed and the flashback of the goodtimes at Meetings..always your friend jenn
