“ There is so many Memories over the years💕 The Martins were my second parents growing up and to this day I consider the both of them my second parents from going on vacations to hiking to playing board games . I felt so safe and welcome in their home . I will ALWAYS cherish my childhood and going into my adulthood. Went to my equestrian competition,high school graduation. My wedding. It was never a second thought to include them with all parts of my life. I will always cherish Richard Martin. Love ALWAYS Samantha

“ *I couldn't have asked for a better uncle while I was growing up. He always helped me with anything I asked him for and he had the best sense of humor. Due to distance we haven't seen much of each other for many years but I can always recall his laugh and how much he loved all of us. He was special.*
