“ *Geez where did those 44 years go. Good friends are hard to come by and those years just flew by. All those Sunday night snacks and coffee are missed. I'll never forget the look on your face when you said you needed a concrete pad for your pool filter and I showed up with one on a dolly at your front door the next day or you and Walt cutting the logs in the snow. You will surely be missed dear friend but not forgotten. Love Walt and Mikki*

“ *Bobby I know as we grew older we didn't see each other but I fondly remember the times as kids when we cousins got together. Always fun.*

*One time I recall was when we were at cousin Judy's downstairs and you did an impression of a singer while wetting your head and face with a towel. I don't remember who you were imitating( maybe Johnny Ray singing CRY) but at the time it was very funny . You were belting out a tune and we were all hysterical.*

*I know your family will miss you dearly. It was such a tribute to you and Angie that the kids wanted to live nearby and spent so much time in your company.*

*Now you will be with all our family members in Heaven...*
