“ *I am deeply saddened to know that Bobby has passed so suddenly. It was my pleasure to know him and his family for over 32 years. He was one of a kind--smart, kind, intelligent, and yes, so very handsome. Bobby will always have a special place in my heart. I have so many fond memories of him while working with him and his parents at the gas station. Rest in peace my friend.*

“ Bobby, It's so hard to imagine your gone. I loved telling people I had a nephew year younger than me, so growing up being your Aunt was cool! I wish we were around each other more. I'll always remember you popping up early on a Sunday and grandma making a big breakfast just for you! That smile... you were so funny, you loved being treated like a king. So you'll always be remember with a smile. Our prayers are with Mommy, Daddy, Sandy and Jessie in this time of sadness. You will be missed my nephew always... Love, Aunt Kathy and family Larry, Jessica, Samantha, Orlando and Samayah.

*"Romo" was not just a friend but a big part of our family, with his passing there is a big void in our lives. The smile, the laughter, the great memories of our youth...Bob and I walking together at our high school graduation, what a mismatch, he being one of the tallest and me being one of the smallest. But Hey, we were great friends. Love & laughter always..Rest in peace. <3*
