“ We have a lifetime of memories with Roy from the Falcon football games to family Risk games, and so much in between. He was a generous and fun-loving friend, and he will surely be missed. God be with his family at this sad time.

“ Roy was a great neighbor to our family for over 50 years. He was always friendly and kind and boy did he love his dogs!! My parents Joan and Jim DeYoung have remained friends with him even when he moved a few years ago. Roy, you made an impact with Shriners that is long lasting.
Rest in Peace in our loving Fathers arms
