“ Hey sissy, so many years later and here I am. You would think after 8 years u would be forgotten. Impossible to forget when I constantly feel this void in my heart. Like a missing piece to complete this crazy life. I miss you! no matter how many tears I shed there are always more. I hope your smiling and dancing like you always did here on earth. One day God will grant me the blessing to give you another hug. Rest up your birthday is coming up and don't you party too hard.

“ You were an absolute light in the darkness of school. All the times we'd go to my grandparents for lunch and laugh the day away. You were a beautiful, wonderful girl and you will be missed dearly.
