“ *Dear Brother,*
You were taken from all of us much too soon. I know you had many more things to do to keep everyone happy like the way you have been all these years. Keeping everyone happy was important in your life, and you did it well. I know it will be hard for Gloria and our whole family to accept this, but the good you have done for us will always be in our hearts. I will always love you. Your Brother, Lou

“ Dear Linda and Family Please accept my heartfelt condolences for the passing of your father. Although I only met your Mom and Dad one time I could tell they were such wonderful, loving people just like their daughter Linda. May God be with you and your family at this very difficult time and know that there are so many people who love you. I will keep your father in my prayers daily. Please don't hesitate to call if you need anything. God Bless you and your family.
Love, Louise
