“ I am in shock... I've been trying to get back in contact with her for years... She was one of my best friends in high school... I don't even know what to say... I have so many memories I wouldn't even know where to start.

*I will miss you defending me from bullies, I will miss working with you at the barn... I am so sad..💔*

“ Sue, we had so many good times in school. then we lost touch for a while, We picked up right where we had left off as adults. You helped my daughters love of horses grow by giving her lessons.I felt special knowing you counted on and trusted me to help you with Jules when you broke your ankle. Ill never forget your smile or your infectious laugh. Im truly sorry life has been cut short for you.
