“ Tammy, when I first moved to West Milford and came into the Elks club you welcomed me with open arms and became a friend. You guided me through becoming part of the Elk family and always made me laugh and brought a smile to my face when I was around you. Even though I moved away I often thought of you and your good heart. I only wish I reached out after I left. God Bless you and those you leave behind.

“ My Beautiful Sister Tammy , An Angel . My heart is broken ... 4 of us Girls and now I feel like a link is missing . We've shared so many tears , good and bad . No matter what , we always had each other and each others back . The day I took you to one of your appointments , you offered me gas money ... I said “ No, I do not want gas money , you are my sister and you need my help “ . I seen you on Saturday before you could not speak . You said you appreciated me coming to see you and I said again “ I love you and you are my sister “ I never knew that would be the last time we spoke . You are a fighter and you did . Your body was tired . The Diabetes had gotten your organs but you wanted to fight the fight . I'm going to miss you . We will look after Gaston .... Fly My Sweet Sister . Until We Meet Again 💜🦋🍀 .
