“ *We have all lost one very special man. Ted loved his family and friends whole heartedly. It showed each time he spoke of them. He was the most caring appreciative man who would put others ahead of himself. He will be greatly missed. He will now be walking around the lake with Madeline and Lady.*

“ It feels like the end of an era. I have such great memories with Uncle Ted. The sporting events, golf, trips to the lake and family gatherings. I will miss him and my mom will miss him. They were great to each other. And Uncle Ted was great to all.

“ Ted was a wonderful friend. He was always ready to share a memory, a story and a joke. His memories and stories were usually better than his jokes. I'll now only have memories of him, but they will last just as memories of Ted, Madeline, Phylis and I going out to dinner together are still strong in our minds and hearts. Phylis and I will never forget a kind and gentle man and friend.

“ I've dreaded losing you my entire life. You were the very best dad anyone could ask for. You gave our family a life full of magical memories and so much love. You were everything to me. I take comfort in the fact that you are finally with mom, and of course your mom and dad. Now go grab a scotch with Maynard, talk all things jets. Until we meet again. I love you dad
