“ *I worked with Tom at Panasonic in Secaucus. He was a great product manager and a fun guy to know. We shared many a story and developed a mutual friendship, deeper than most. I see his smile is still the same. He was actually younger than I. Being the kind of person he was I am POSITIVE he is sitting at the right hand of God!*

“ *Dear Jeanne,*

*My heart goes out to you during this difficult time or mourning. Tom and I worked together at Panasonic for many years and he was an awesome person to work with and a good friend to me.*

*We are both from Paterson and I remember our many trips to Getty Grill in Clifton to get hotdogs w/ chili (one of our favorites) on our lunch break over the years. He will be missed.*

*May God continue to Bless you and the children.*
